

AgroFresh Solutions to Participate in BMO Capital Markets 16th Annual Farm to Market Virtual Conference

May 18, 2021

PHILADELPHIA, May 18, 2021 (GLOBE NEWSWIRE) -- AgroFresh Solutions, Inc. (Nasdaq: AGFS), a global leader in produce freshness solutions, announced today that Clint Lewis, Chief Executive Officer, and Graham Miao, Chief Financial Officer, will participate virtually in the BMO Capital Markets 16th Annual Farm to Market Virtual Conference.

The Company will host a fireside chat on May 20, 2021 at 10:40 AM ET. The presentation and related materials will be available to all interested parties through a live audio webcast accessible in the investor relations section of AgroFresh's website at www.agrofresh.com.

About AgroFresh

AgroFresh (Nasdaq: AGFS) is an AgTech innovator and global leader with a mission to prevent food loss/waste and conserve the planet's resources by providing a range of science-based solutions, data-driven digital technologies and high-touch customer services. AgroFresh supports growers, packers and retailers with solutions across the food supply chain to enhance the quality and extend the shelf life of fresh produce. The AgroFresh organization has 40 years of post-harvest experience across a broad range of crops, including revolutionizing the apple industry with the SmartFresh™ Quality System for more than 20 years. This is powered by a comprehensive portfolio that includes plant-based coatings, equipment and proprietary solutions that help improve the freshness supply chain from harvest to the home.
